

Keep The Faith Band Bio

"Keep The Faith" embraces the sights and sounds that "is" Bon Jovi. Hit after hit, all your favourites are delivered in a passionate and powerful performance lead by vocalist and avid life long Bon Jovi fan- Bret Watts. Many that experience the show come as critics saying *"It can't be done"* but leave reporting *"when they closed their eyes they felt like they were at a Jovi concert with Jon right in front of them"*.

The Bon Jovi Show played its first ever show in March 2003 at the Collingwood Hotel in Liverpool. Formally known as "Blaze Of Glory" the band has performed all over NSW to "sold out" venues. The boys renamed the show in August 2005 to provide their Bon Jovi followers with a bigger and better show in a more diverse range of venues.

It seems that the Bon Jovi fever is as ripe as ever, especially with Bon Jovi's new album release "Lost Highway" and upcoming Australian tour dates, not to mention their huge list of hits spanning three decades. For many, Bon Jovi was part of their youth, and still remains one of the biggest bands in the history of rock and roll.

Come along and "experience" this fantastic tribute to one of the greatest bands of all time...
