

## **AM2PM Bio**

With a live show second to none, two of Australia's finest musicians, state of the art intelligent lighting and lasers, special effects including bubble machines haze and smoke machines and a state of the art P.A. "AM2PM is Sydney's most sort after live duo"

AM2PM is the new generation of live duo. From Pop Retro Rock and the very latest hits AM2PM incorporates the live feel of a band with all the excitement of a disco...

Even the music played in the breaks is either great retro hits or the latest music.

If you're having a private function you can request any song/songs. AM2PM will find any song/songs no matter how rare, and make sure that a personal touch is added to your special event. This ensures that the party still goes on.
