

## Adam Leatherbarrow Biography

Adam Leatherbarrow is a seasoned performer with 15 years live experience under his belt. Adam brings a sense of fun and professionalism to his performances and his past achievements include playing the role of John Lennon in Australia's premier Beatles concept show, "The Beatnix" for two years and supporting acts like Evermore and Rob Hirst from Midnight Oil.

Adam will have the room alive with energy and excitement and his experience and great voice make him the perfect choice for any occasion.
