

# Enough Said

..... “we like playing songs you love”

**Welcome to EnSaid’s world. Melanie and Mathew bring you a fresh set of songs handpicked to appeal to a wide variety of occasions and audiences.**

**Playing the most wanted favourites Enough Said perform live and “unplugged” and turn it up through the night with unique backing tracks created In a Professional Recording Studio enabling Enough Said to sound like there’s a whole band in the room rather than just a sequenced duo.**

**Enough Said cater to the occasion making their sets work for the event they are playing for. Many gigs start with the simplicity of background acoustic tunes and soft RnB / Jazz songs as background music in the first set working all the way up to a full dancefloor with the night swinging into full action. With their PA they can accommodate break music, special requests and MC’s use of Microphones etc. For events and weddings they discuss how you would like the evening to progress and then take care of the rest.**

**With a choice of Top 40 hits, Retro Dance, Rock and Roll, Funk Soul and classic and modern chart topping hits you’re assured of having all the music to keep the room and the party alive.**
