## and Collective Rhythm

**Solo - Duo - Trio - Band**

**Music for all Occasions**

**Jonathan** has over 15 years entertainment experience, a smillion gigs under his belt and has played in venues ranging from relaxed restaurants to rowdy, raucous pubs and everything in between. So, the flexible, professional attitude and friendly easy to talk to manner he displays is to be expected.

Equipped with acoustic and electric guitars, harmonicas and always carrying a smile, you will hear **JJ** play and sing all your favourite pop, blues, classic rock, country and dance hits from the heyday to our modern era.

**JJ's** enthusiasm for fun both on and off stage is obvious and depending on the atmosphere can provide an intimate acoustic show with guitar, harmonica and vocals only....OR be backed by a '**Collective Rhythm**' of male/female singers and thumping band that will [if necessary] send bass waves surging through the body, down past the naughty bits and into the feet.

Yes.....we like to dance too!

So be it a corporate function, private party, birthday or wedding, **JJ's** contagious onstage charisma, unlimited energy & vast musical talent will always impress.
