

Two Minds Duo are the musical combination of two of Sydney's most experienced and established performers.

With over 30 years combined performing experience Two Minds play the Sydney pub/club circuit with a reputation for quality sound, repertoire and performance.

Both accomplished musicians and singers in their own right Clayton Vetter and Craig Woodward decided mid 2008 to join forces with a simple goal to offer Sydney a professional premier Duo.

Two Minds are engaging, entertaining and a fun addition to any private, commercial or corporate function. Combined Two Minds offer a wide range of songs from the Beatles to Jason Mraz and everything in between. Two Minds encourage audience interaction, song requests and work hard to create a cycle of energy that on any given night can be felt and remembered well into your working week.

Two Minds perform at hotels, pubs, clubs, cruises, engagements, weddings, corporate, formal functions and birthdays.

Two Minds simply want to be the first name that comes to mind when you want a quality professional entertainment service for your event.
