

WILD WEST

Entertainment Ideas

Concept

The idea is to create the look and feel of a rip-roaring Wild West town as portrayed in the movies. The scene is filled with every terrible character and cliché we can think of so that guests easily recognise the genre and feel free to join in the fun.

At the entrance to the venue are a pair of hitching rails, a watering trough and a set of Swinging Saloon doors where guests are greeted by the inhabitants of **CACTUS** – a typical Wild-West town.

The guests are welcomed as “strangers around here” shown over the saloon and introduced to the townsfolk.

There is potential to create several settings within the venue; The Saloon, the Whorehouse, the jail, etc

Meet and Greet Characters

There's The Sheriff and his deputy, the Mayor, the Town Drunk, a Barman polishing glasses and a Piano Player on a honky tonk piano. There are Rustlers, hustlers, cow pokes, con men prospectors, preachers, good guys in white, bad guys in black, the Ma'am of the whore house and her ladies.

In hushed tones the Guests are told of the recent jail break by the notorious “Black Pete” and that Pete is on his way into town right now with a gang of bad guys looking for trouble.

☀ Happenings

• Shoot out at Ten Paces

At one point in the night there are gunshots from outside. The Saloon doors bust open and there stands **Black Pete**.

"What's a man gotta do to get a drink in this town?"

He swaggers forward, shooting the floor, the Mayor has to dance to dodge the bullets, the bar tender is quaking...Into the fray steps the quivering deputy in white. They exchange fire and by sheer accident the good guy wins and gets the girl.

☀ Pie Fight

Maybe at that point, instead of a gunshot, someone throws a pie. Pete ducks, it hits the Bar Tender, then **he** throws a pie, the preacher gets one etc. etc... til everyone's smothered in pie. Eventually Pete is overwhelmed, tied up and the happy town of Cactus is safe once more.

Line Dancers

☀ MC Characters

Gaining the attention of the crowd by shooting his six shooter in the air, the Mayor is joined on stage by Fanny le Grande, Ma'am of the Whore house.

Together they welcome the Strangers to Cactus, make necessary announcements and introduce speakers(if required).

Through out the night they run Whoopin' and a Hollerin' competitions, introduce stage acts and give away prizes.
