

# Funktion Bio and Song List

Funktion are a fresh and upcoming group of musicians who aim to deliver a high energy performance every gig.

They are a five piece rock/pop band featuring Genevieve on vocals, Dean on Drums, Alvin on bass, Dave on guitar and Lloyd on Keys who each bring a unique vibe to the performance. Their musical goal is to provide each and every venue with a powerful and memorable experience. Every audience will be treated to a wide variety of their favourite tunes ranging from modern hits such as Katy Perry, Red Hot Chili Peppers and Jamiroquai to classics such as Bon Jovi, Van Morrison, Stevie Wonder and Aretha Franklin.

The band has performed at a number of venues within Sydneys CBD and venues in the outer suburbs of Sydney. They are experienced in a range of different settings making them a versatile band that is able to deliver professionalism along with a great night of entertainment.
