

Peppermint Jam Bio

Peppermint Jam is the new flavour of entertainment hitting the streets of Sydney.

They are an exciting, infectious and enthusiastic band who are playing at a venue near you.

Non Stop medleys incorporating current party tunes and retro faves are the bands signature and the dance floor is never left empty.

Since 2001 the band has regularly played at some of the best venues around town including The Bayview Tavern, Three Wise Monkeys, Golden Sheaf Hotel, Crows Nest Hotel, Mean Fiddler and the Bondi Icebergs. They even performed for the Prince of Denmark!

Corporate

Peppermint Jam has also performed at many corporate events for major corporations including American Express, Boral, Toyota, Henry Davis York, Hagemeyer and National Geographic and at various charity gala dinners.

Peppermint Jam features one male and two female vocalists supported by a three piece band. They can perform anything from Disco to Pop, Rock to Motown and have a huge list of songs both in medley form and single songs. More than enough versatility to cater for any crowd, pub, club or corporate function.

Whether it be a Christmas Party, Awards Night, Product Launch or a Wedding, Peppermint Jam have enough diverse material to ensure a wonderful night. Keeping the dance floor full is their specialty with the use of great medleys ranging from Disco, Pop, Motown and Rock through to current dance tunes.

They can also perform a 30 minute instrumental Jazz set for dinner and are also able to partake in any theme night you may have organised.

A "Nothing is a Problem" attitude and total professionalism are also key factors to Peppermint Jam's success which has seen them work consistently since their first gig in October 2001.
