

ROCK STARTS

Formed in 2002, ROCK STAR performed well over 2000 shows along the East Coast of Australia before taking hiatus in 2005 when the members split to follow musical pursuits abroad.

Now ROCK STAR is back and once again unleashing themselves on Sydney's hottest night spots, drawing and entertaining huge crowds.

ROCK STAR's extensive repertoire can be broken down into 3 categories:

- I – Classic sing-along pub rock anthems;
- II – Booty-shakin' dancefloor tunes;
- III – Brand NEW hits – straight from the charts!

Whether it is a 250,000 strong TV audience, an intimate bar in central Sydney, or your very own private party, ROCK STAR's line-up of some of Sydney's shit-hot session musicians will be there to make sure it is a unforgettable night

Here are some of the tunes that have made Rock Star famous:

- | | | |
|------|--------------------------|------------------------|
| 1 - | She's a genius | Jet |
